

# The 9<sup>th</sup> Implanted & Interventional Medical Device Technology Summit 2019

— Orthopedic & Dental Devices, Cardiovascular Devices, Beauty and Cosmetic Implants

August 8-9 | Jinke Grand Hotel

"The 9th Implanted & Interventional Medical Device Technology Summit 2019" was successfully concluded on August 8-9 at Suzhou Jinke Grand Hotel. The theme is "Smart Healthcare, Innovative Applications", and there are four major topics cover "Policies, Regulations and Quality Supervision, Innovative R & D and Clinical Applications, Medical Materials and Innovative Packaging, Production Equipment and Manufacturing Processes". A total of 332 participants from 138 companies attended the conference. During the meeting, the wonderful sharing of many speakers, the real-time interaction of the technology innovation zone, and the new product display in the booth all made the attendees enthusiastic and impressed!
