

Global Smart Factory Summit 2020

June.18-19th
Shanghai·China

Organized By

Media Partner

Background

Under the background of Made in China 2025, Chinese enterprises are entering the smart upgrade craze. In order to helping manufacturing industry to realize the intelligent transformation with high quality, differentiation, innovation, smart activation and looking for efficient, reasonable, sustainable upgrade program, Ringier will held "Smart Factory Summit 2020" on June 18th - 19th in Shanghai.

The event will focus on facility efficiency, visible developing, intelligent manufacturing, and quality detecting, give solutions, technology updates, and case studies in automation, lowering cost&inventory, separate factory management,, predictive maintenance. 5G application etc.

Highlights

Experts' Insight

200+ experts and guests, sharing cutting-edge

Diverse Forms of Communication

The experts' speeches, informal networking opportunities during tea breaks, business dinner and factory visit combined

Case Studies

Explore strategies to create profitable products that

Expo and Technical Seminar

Find out about the latest technology and products. An easy and fast way to

Buyer-Supplier Match Making Service

Offer match making service

Hot Topics

- Technology development status and trend analysis
- The development and application of IoT
- Innovation in flexible manufacturing systems
- The realization of smart factory by digital twin
- Digital transformation of manufacturing industry
- Industrial control software overall solution
- Application of Block Chain in Intelligent Manufacturing
- The application of AI in smart factory
- Predictive maintenance techniques for production equipment
- Application of cloud computing technology in smart factory

Previous Speakers

Mr. Xiaojun Chen

Deputy Head of Songjiang District

Topic: Adhering to the new development concept promoting the construction of G60 science and technology corridor with high quality

Mr. Zhong Dai

Deputy Director, Shanghai Songjiang District Investment Promotion Service Center

Topic: G60 Science and Technology Corridor in the Yangtze River Delta

Mr. Jianquan Yao

Chinese Academy of Sciences, Academician

Topic: Look at the development of smart manufacturing, China's 2025 strategy

Mr. Antonio FARESE

China-Italy Chamber of Commerce Board Member

Topic: Opening Speech

Ms. Gele Wen

German Chamber of Commerce in China General Manager

Topic: Opening Speech

Ms. Deli Zhang

Mingguang City, Vice Chairman of the CPPCC

Topic: Speech by Digital Chapter

Mr. Tianen Li

HUAWEI

Chief Expert of Manufacturing Solutions

Topic: HUAWEI Smart Manufacturing and Digital Practice

Mr. Wallace Bie

Comau, Head of marketing APAC

Topic: COMAU Smart Manufacturing Solution

Mr. Frank Fang

SEIMENS Industry Software
VP & CTO Great China

Topic: The Revolution of Perfect Smart Factory Modul

Mr. Yanchen Gao

Qingdao Academy of Intelligent Industries of CAS, Deputy Dean
Qingdao Wanlong High-Tech Group, Chairman

Topic: Smart Factory and Parallel Technology Application

Mr. Fayong Shi

Qianjiao County, Standing Committee Member of the County Party Committee and Executive Deputy County Chief

Topic: Speech by Automation Branch

Mr. Weimin ZHANG

Institute of Advanced Manufacturing Technology TONGJI University, Director

Topic: How to Move Modern Factory from Automation to Intelligence

Mr. Zhe LIU

ZTE, Chief Engineer

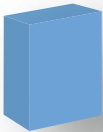

Topic: Challenges and Opportunities Brought by 5G for Electronics Manufacturing
