Visitor & Exhibitor Evaluation

There are many professional audience members on site and a large flow of people.

—— Guangzhou Junxin Chemical Director

There are many raw material suppliers, and the harvest is abundant.

—— Ebono Medical Technology Co., Ltd

The PCT 2024 Personal Care Exhibition hosted by Ringier has come to a successful conclusion. The atmosphere on site was lively, participants and guests contributed a grand event, promoting the good development of the cosmetics industry. We look forward to Ringier's continuous innovation and development!

—— China Quality Association Xu Zebing

There are many opportunities for communication with on-site buyers, which is very good.

—— Suzhou Nakang Director

The conference was organized very orderly! Communicated on common hot topics of interest in daily necessities and cosmetics. Thank you to the organizers for their hard work! I can showcase the current hot topics in the cosmetics field in the meetings I attend.

—— Unilever, Li Jin

The exhibition venue has a beautiful environment and a large number of customers are in attendance, so it is advisable to exert strong influence.

—— Director of Jitai Beauty
